EDINBURGH
extraordinary futures await

Getting started

These pages provide some key information to help you make the most of your visit. Helpdesks are located in multiple Open Day venues, marked 'H' on the maps.

Open Day venues

Our Open Days take place across various areas:

- Central campus (Bristo Square, George Square, Edinburgh Futures Institute, Old College)
- Easter Bush campus (Veterinary Medicine)
- Edinburgh BioQuarter (Medicine)
- Holyrood campus
- King's Buildings campus
- New College
- Pollock Halls (Accommodation)

Campus maps are on pages 10 - 11.

Travel between campuses

Remember to factor in travel time when planning your day. You can use our free Open Day shuttle bus service to travel between our Central campus (Buccleuch Place) and King's Buildings campus. You must pre-book for our Medicine and Veterinary Medicine visit shuttle buses. More details are on page 11.

Check in

You can check in - at any time - at one of our Helpdesks using the ticket/QR code in your emails and pick up your free canvas bag, or you can self-check in on your mobile phone. If you have not booked to attend, please register at a Helpdesk. You may also need to check in for individual talks and tours, so keep your email and QR code handy!

Accompanying guests

Some activities will be very busy. If there is limited space, we will prioritise prospective students.

Your booking for a talk, taster session or tour ensures that the student associated with the booking will be able to attend, however guests may not always be able to accompany them. We will allocate any remaining spaces on a first come, first served basis, with priority for prospective students.

Thank you for your understanding. All guests will be welcome to speak with staff at information desks and visit University facilities.

Refreshments

We have a range of cafés open, selling a variety of food and refreshments. There are also water fountains in most Open Day venues. University outlets are listed on page 12.

Accessibility

If you have any questions on the day, please visit one of our Helpdesks. Staff and Student Ambassadors are on hand to provide assistance across our campuses.

Staff from the University's Disability & Learning Support Service are also happy to answer any questions about support for students who have a disability, learning difference, neurodiverse or health condition that may impact on their studies (page 4).

Lost property

Please hand in any lost property to a Helpdesk. If you lose an item please speak to staff at the nearest Helpdesk. Lost items can be collected from McEwan Hall (Central campus, map 1, ref. 9) and the Nucleus Building (King's Buildings campus, map 2, ref. 38).

Fire alarms

No fire alarm tests are planned. If the alarm sounds please leave the building by the nearest exit and follow instructions from staff and Student Ambassadors.

Illness / Injury

Please report illness / injury to the nearest staff member, who will be able to arrange first aid assistance.

Activities

What to expect from some of our main Open Day activities. Full listings are on pages 4 - 9.

Subject and service talks

These talks provide an introduction to our subject areas and other aspects of studying with us, including accommodation, study abroad, sport and student life. Most talks will last 30 minutes.

Information desks

Available for all subject areas and key services from 10:00 – 16:00. Our staff are available to speak to you about our subject areas and courses (pages 5 – 9), as well as fees, funding, study abroad, careers, support, extracurricular activities and more (page 4).

Admissions

Our admissions staff are available at information desks between 10:00 – 16:00 to provide one-to-one, tailored advice on applying to the University (see page 5). You should ask any admissions questions here rather than at subject information desks, unless otherwise stated.

Admissions talks provide general information about admission to a particular College, while the admissions information desks offer you the opportunity to find out detailed entry requirements for your chosen programme and discuss your circumstances.

Taster lectures

Available in a range of subjects, these sample lectures will give you an insight into what studying at Edinburgh might be like. While the lectures are presented by academics from specific subject areas, they may be of general interest to a wider audience.

Language taster sessions

Our School of Literatures, Languages and Cultures is running beginners' language taster sessions, each covering a language from Europe, East Asia or the Middle East which you may not have had a chance to try before. To give you an authentic experience of small group learning, numbers are very limited so advance booking is required.

Booking will be available for these sessions and details added to the programme in early June. We will email you if you stated an interest in any language when registering for the Open Day.

Fees and funding

Staff at our Fees & Student Support, and Scholarships & Student Funding information desks in McEwan Hall can provide information about funding opportunities, tuition fees, scholarships, bursaries and financial assistance. The Student Awards Agency Scotland (SAAS) are also available to speak to about the financial support they provide to students from Scotland.

Accommodation

Find out about our student accommodation options and 'accommodation guarantee' from the accommodation information desk as well as multiple talks throughout the day. A selection of accommodation is open to tour at Pollock Halls, though please note that only a few example rooms will be available to view (page 4).

Tours and facilities

You can view some of the facilities you might use as a student, including our main libraries, sports facilities and a selection of accommodation. To check what's open and how to visit, see details on page 4. Some subject areas also offer tours, these are listed on pages 5-9.

Our **self-guided audio campus tour**

allows you to explore our campuses at a pace and time that suits you. The app is free to download and is compatible with most iOS and Android devices - all you

need is a smartphone or tablet. Scan the QR code or go to:

Student experience at Edinburgh

Choosing where to study is about more than just the academic experience. These activities will provide you with an idea of life at Edinburgh outside of the classroom. If there is limited space for talks, we will prioritise prospective students. R = Repeat
