

The University of Edinburgh Scotland Fee Rate admissions statistics 2024 and 2025

The table below shows undergraduate admissions statistics for Scotland fee rate applicants for the 2024 and 2025 admissions cycles.

Our statistics show, by selection area:

- how many undergraduate applications we receive;
- how many offers we make;
- the offer rate (the percentage of **applications** that receive an offer within a selection area.); and
- how many students we accept (the number of applicants who firmly accepted an unconditional offer (UF) and were expected to enter the University)

Undergraduate admissions statistics are updated annually. The most recent version can be found at <https://edin.ac/3YPA4MA>.

Notes on the data tables

UCAS cycles run from 1 September in one year to 30 September in the following year so, for example, the 2024 cycle ran from 1 September 2023 to 30 September 2024 with applicants being considered either for immediate entry in September 2024 or deferred entry in 2025.

The figures do not include PGDE applicants applying via UCAS; Master of Social Work (MSW) applicants applying via UCAS, visiting undergraduates, or the very small number of direct entrants, e.g. to Clinical Medicine.

Please note that all figures refer to applications, not applicants, as one applicant may make more than one application to the same institution.

Numbers are shown as <5 where disclosing these low numbers could enable individuals to be identified. This would breach the data protection principles set out in the Data Protection Act 1998. Where these low numbers link to calculation of the offer rate, the offer rate is not shown.

Notes on specific selection areas

*Art includes the BA (Hons) Fine Art. The MA (Hons) Fine Art applications appear under Fine Art.

**Each year a small number of unsuccessful applicants for Medicine are offered the chance to apply for Biomedical Sciences instead. These applications appear under Biomedical Sciences instead of Medicine.
