MSc in Comparative
Education and
International
Development

Dr Lindsey K. Horner, Programme Director | November 2025

EDINBURGH
extraordinary futures await

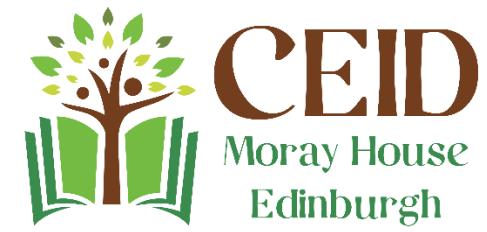

What is the MSc CEID?

- 1 year full time
- Combines Comparative Education with Education and International Development
 - Compulsory introductory courses and research methods means students can choose half of their courses from our options
- Culminates in dissertation – independent research project

What are the big questions in CEID?

- How do education systems compare?
- What is the relationship between education and development?
- What disparities exist between and within countries?
- What is the relationship between the global and the local?
- How does the context of education affect its inputs, outputs, and outcomes?

Who is interested in the MSc CEID?

- Individuals that want to explore:
 - Education systems across the world
 - The relationship between education and other aspects of development (gender, citizenship, peace)
 - The connection between the global and the local
- Individuals from:
 - Undergraduate degrees in education and social or political sciences
 - The development sector
 - Educators looking for a global perspective
 - Other professions looking to change careers

- **Global Governance and Education (20 Credits)**

Choose up to 1 outside list with approval

- Examples: Global Childhood & Human Rights, Gender & Development, Comparative Approaches to Special & Inclusive Education

What makes the MSc CEID unique?

Top 6 Reasons to Pursue a MSc CEID Degree

What makes the MSc CEID unique?

World Class Experience

The University of Edinburgh's Moray House is consistently ranked as one of the **top 30 education schools in the world**.

The MSc CEID programme is driven by passionate faculty committed to their students: over half of the programme faculty have been nominated for Teacher of the Year. Aliandra Barlete won 2024 Supervisor of the Year.

RANKED #17 IN
THE WORLD FOR
EDUCATION
(QS Rankings, 2025)

What makes the MSc CEID unique?

Unique & Flexible Programme

The MSc CEID is one of the few programmes in the world that combine the areas of comparative education and international development.

In this 1-year programme, **students can choose half their coursework, based on their own passions and career interests**, from option courses, including education policy, anthropology, and education and conflict.

Practical Opportunities

The MSc CEID fosters student's practical skills while providing space to network with experts in the field. To prepare students for their careers, Students can opt for a **placement-based option** allowing them to complete their dissertations with select local, regional, or global organisations.

The **spring semester trip** also enables students to learn more about the field through visits to international and non-governmental organisations.

What
makes the
MSc CEID
unique?

Career Options

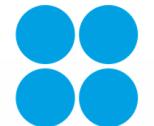

We aim to develop students as critical and reflexive researchers and practitioners equipped with the mindsets, skills and confidence to engage with some of the largest challenges in education and international development. Beyond continuing to a PhD, the diverse range of career options include work in:

- Development agencies – ex: The Asia Foundation, FCDO, USAID
 - International organizations – ex: UNESCO, OECD
- International finance institutes – ex: World Bank, Asian Development Bank
 - NGO/CSOs – ex: Save the Children, Oxfam
- Think tanks – ex: Overseas Development Institute (ODI), Brookings Institution
- Higher education – ex: International education offices, Aga Khan Foundation

What makes the MSc CEID unique?

Edinburgh: A Magical City

Edinburgh combines nature, historical charm, and a bit of Harry Potter.

As a mid-size city, Edinburgh has consistently **ranked in the global top 20 on multiple best places to live lists**, including Best Student Cities, the City Wellbeing Index, and Sustainable Cities Index. Amongst all cities in the UK, Edinburgh also holds the top position in the Green Cities Index, taking the top spot due to its abundance of green spaces and low pollution levels.

What makes the MSc CEID unique?

Thriving, Dynamic Community

All our activities happen as part of the CEID Community based at the Moray House School of Education and Sport.

Beyond the MSc CEID programme, students benefit for participating in other activities, such as the **CEID Research Group** – bringing together over 30 researchers across the university – and the **CEID Student Society** – one of the few, student run societies focused on the graduate student experience, and holding regular social, academic, and networking events.

What are students saying about the CEID Community?

We have so many opportunities and events for students to get connected

The CEID community is **like a large 'family gathering'**

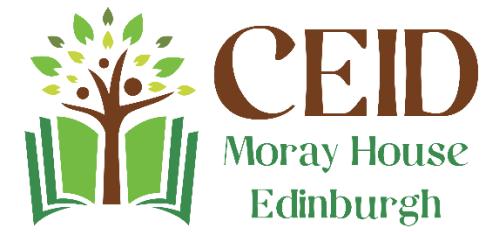

Together we shared and co-shaped the direction of the community

Not only a place to be connected to peers, but where different voices are heard

I always have this connection with this group, they are like my family

What are the benefits of the CEID Community?

- Additional Support
 - **Town Halls:** Regular community meetings based around a theme and often with a guest speaker, where we shape the community as a community.
 - **Virtual Mentor Programme:** Aims to provide students with an alternate form of support which is better positioned to provide student-only insight, while further strengthening the CEID Community.
- Social Events
- Academic Events
- Networking and Next Steps

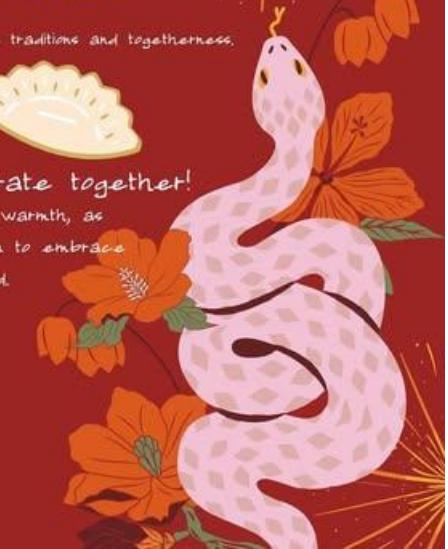

Spring Festival Invitation

- a joyous festival filled with rich Chinese traditions and togetherness.

Let's make dumplings and celebrate together!

Bring along your family or friends to share in the warmth, as we come together under the beautiful decoration to embrace blessings and the promise of a bright year ahead.

Time : Jan. 30 , 5-9PM

The SDGs, UNESCO, and the Post-2030 World: A Conversation with Jordan Naidoo

October 22nd from 9:00 to 10:30 UK Time
Online + In person 'viewing party' for students in
Patterson's Land 1.19

<https://buytickets.at/morayhouseceidcommunity/1898855>

Join us for a discussion with **CEID Guest Dr Jordan Naidoo**. Dr Naidoo is a global education policy expert with over 25 years of experience in the field. He has held positions in UNESCO, UNICEF, and Save the Children, amongst others. Between 2015 and 2020, Dr Naidoo was the UNESCO Director for SDG Education Support and Coordination making him uniquely positioned to discuss the relationship between UNESCO and the SDGs and help us consider what might be next in the post-2030 world.

Hosted by the Comparative Education and International Development (CEID) Research Group at Moray House School of Education & Sport, University of Edinburgh

LOVE FOR EDUCATION

- CIS ABROAD
- Assistant Site Director

WHY UNIVERSITY OF EDINBURGH

- Rigorous institution (push myself to challenge myself)
- Size of the University (opportunities)
- Edinburgh as a city (home away from home)
- International students (learn more from different cultures)

WHY CEID PROGRAM

- 2 in 1 (Comparative Education + International Development)
- Active Community (Research Group, Student Society)
- Placement Based Dissertations
- Diverse students and faculty (felt welcomed right away)

APPLICATION PROCESS

- Everything you need to know is on the website
- Faculty and alumni are willing to go on a call with you if you have any questions
- 3 months for them to respond to my application
- Started the visa process early because you never know what can happen

REFLECTION

- My cohort feels like family
- Townhalls make CEID different from other master programs
- Have been given many opportunities to grow (Programme Representative + Research with Prof Allie + Student Ambassador Role)
- Curriculum is well structured and globally diverse
- I love Edinburgh

LAST TIPS

Read

Read before you come
(this masters is heavy
reading; better be
prepared)
