Academic guidance and cohort activities

The image shows a screenshot of the Edinburgh University Students' Association (EUSA) website. The header is teal with the EUSA logo and navigation links: 'What's On', 'Student Opportunities', 'Your Voice', 'Advice Place', 'Eat, Drink & Shop', and 'Your SA'. The main section has a purple background with a large white 'ADVICE PLACE' text. There are two stylized white geometric shapes on either side. Below this, a section titled 'WELCOME TO THE ADVICE PLACE: WE'RE HERE TO HELP.' is displayed, followed by a sub-section with icons for 'ACADEMIC', 'ACCOMMODATION', 'COMPLAINTS AND CONDUCT', 'HARASSMENT, SAFETY AND CRIME', 'MONEY', and 'WELLBEING'. At the bottom, there are icons for 'FLATSHARE' and 'TO LET'. A 'Speak to a member of the team' section follows, with icons for 'CALL 0131 374 4581', 'EMAIL ADVICE@EUSA.ED.AC.UK', and 'TERMS OF SERVICE'. At the very bottom, there are icons for 'MAKE AN APPOINTMENT' and 'FEEDBACK'.

WELCOME TO THE ADVICE PLACE: WE'RE HERE TO HELP.

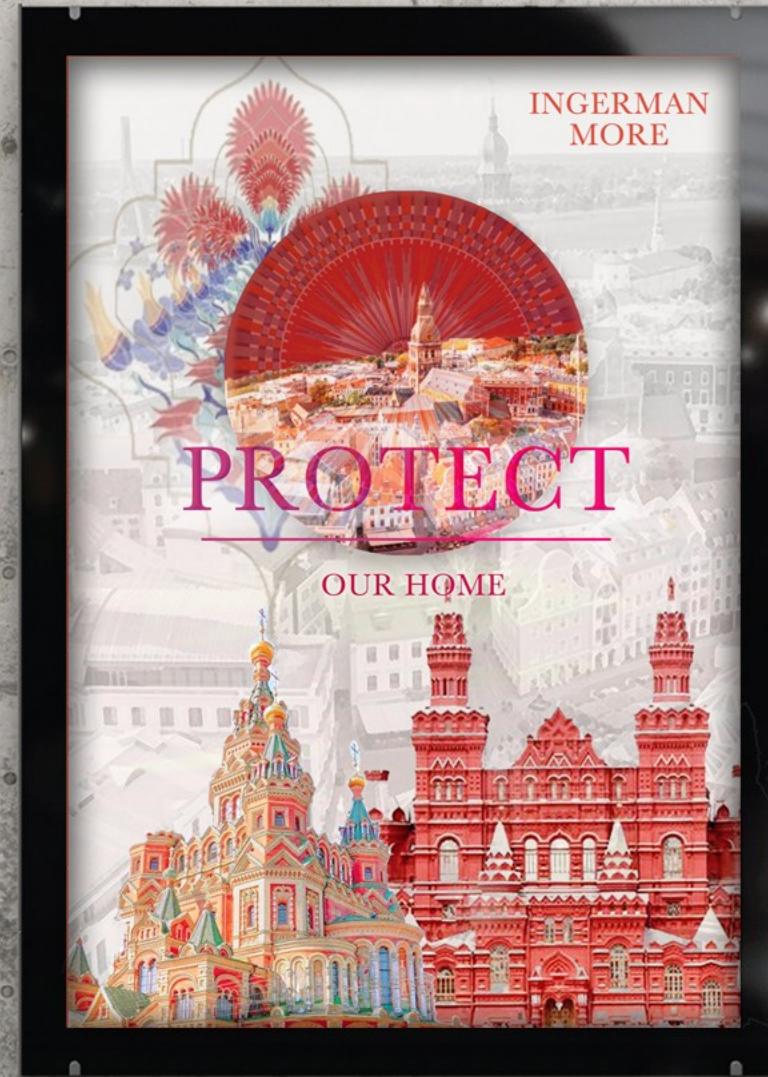

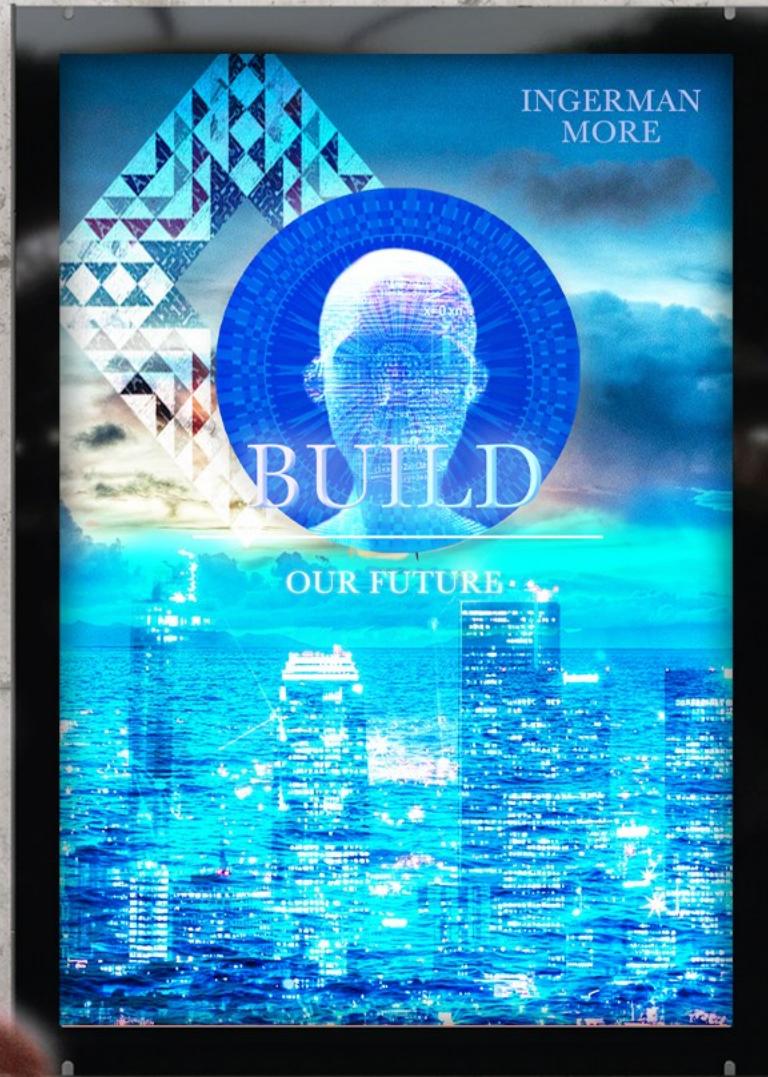

We are a team of professionally trained caseworkers ready to support you during your time at Edinburgh. Please explore the advice here on our site and get in touch if you need our help.

From Uganda to Japan: Population Pyramids in each country

21 July 2017: Kazuki OGAWA

- Ordered population pyramid of each 201 country on the planet by average age
- Each pyramid consists of 21 age classes from 0 - 5 y.o. to 100 y.o. -
- The youngest country is Uganda, with triangle-shaped pyramid
- The oldest is Japan, whose pyramid has become "vase-shaped"
- You can rotate, zoom, and pan camera with mouse and cursor keys
- Data source: World Population Prospects

Kazuki Ogiwara
