Co-Curricular Activities

Field-trips:

- Cinema Lab 1 & Cinema Lab 2 courses bring ECA & PCA together through in-built field trip.
- First-year students spend a week of Semester 1 undertaking workshops at PCA alongside second-years.
- Second-year students travel to a European film festival in Semester 2 with ECA and PCA staff.

Hybrid teaching:

- Student presentations and critique sessions are held in a hybrid format, allowing staff from both institutions to attend and build a sense of community.
- At least twice per semester, in Cinema Lab 1 and then the Film Art Project focused courses.

Industry Opportunities

Scotland:

Edinburgh International Film Festival - established in 1947, the world's oldest continually running film festival

LUX Scotland - non-profit agency dedicated to developing and promoting artists' moving image practices

British Film Institute – education events with the UK's national organization for film and the moving image

France:

Light Cone - non-profit association whose objective is the distribution and preservation of experimental cinema

Clermont Ferrand - the world's largest film festival dedicated to short films

Centre Pompidou – leading collection of modern and contemporary art in Europe
