EDINBURGH
extraordinary futures await

Getting started

These pages provide some key information to help you make the most of your visit. Helpdesks are located in multiple Open Day venues, marked 'H' on the maps.

Open Day venues

Our Open Days take place across various areas:

- Central campus (Bristo Square, George Square, Edinburgh Futures Institute, Old College)
- Edinburgh College of Art (ECA)
- Holyrood campus
- King's Buildings campus
- New College
- Pollock Halls (Accommodation)
- Easter Bush campus (September only)
- Edinburgh BioQuarter (September only)

Campus maps are on pages 10 - 11.

Travel between campuses

Remember to factor in travel time when planning your day. You can use our free Open Day shuttle bus service to travel between our Central campus (Buccleuch Place) and King's Buildings campus, and between King's Buildings campus and Pollock Halls. You must pre-book for our Medicine and Veterinary Medicine visit shuttle buses on 26 September. More details are on page 11.

Check in

Check in using the 'self check in' button in your online ticket. You can also check in - at any time - at one of our Helpdesks using the ticket/QR code in your emails. If you have not booked to attend, please register at a Helpdesk. You may also need to check in for individual talks and tours, so keep your email and QR code handy!

Accompanying guests

Some activities will be very busy. If there is limited space, we will prioritise prospective students.

Your booking for a talk, taster session or tour ensures that the student associated with the booking will be able to attend, however guests may not always be able to accompany them. We will allocate any remaining spaces on a first come, first served basis, with priority for prospective students.

Thank you for your understanding. All guests will be welcome to speak with staff at information desks and visit University facilities.

Refreshments

We have a range of cafés open, selling a variety of food and refreshments. There are also water fountains in most Open Day venues. University outlets are listed on page 12.

Accessibility

If you have any questions on the day, please visit one of our Helpdesks. Staff and Student Ambassadors are on hand to provide assistance across our campuses.

Staff from the University's Disability & Learning Support Service are also happy to answer any questions about support for students who have a disability, learning difference, neurodiverse or health condition that may impact on their studies (page 4).

Lost property

Please hand in any lost property to a Helpdesk. If you lose an item please speak to staff at the nearest Helpdesk.

Lost items can be collected from the Informatics Forum (Central campus, map 1, ref. 32) and the Nucleus Building (King's Buildings campus, map 2, ref. 38).

Fire alarms

No fire alarm tests are planned. If the alarm sounds please leave the building by the nearest exit and follow instructions from staff and Student Ambassadors.

Illness / Injury

Please report illness / injury to the nearest staff member, who will be able to arrange first aid assistance.

Activities

What to expect from some of our main Open Day activities.
Full listings are on pages 4 - 9.

Subject and service talks

These talks provide an introduction to our subject areas and other aspects of studying with us, including accommodation, sport and student life. Most talks will last 30 minutes.

Information desks

Available for our subject areas and key services from 10am to 4pm. Our staff are available to speak to you about our subject areas and courses (pages 5 - 9), as well as fees, funding, study abroad, careers, support, extracurricular activities and more (page 4).

Admissions

Our admissions staff are available at information desks between 10am to 4pm to provide one-to-one, tailored advice on applying to the University (see page 5). You should ask any admissions questions here rather than at subject information desks, unless otherwise stated.

Admissions talks provide general information about admission to a particular College, while the admissions information desks offer you the opportunity to find out detailed entry requirements for your chosen programme and discuss your circumstances.

Taster lectures

Available in a range of subjects, these sample lectures will give you an insight into what studying at Edinburgh might be like. While the lectures are presented by academics from specific subject areas, they may be of general interest to a wider audience.

Language taster sessions

Our School of Literatures, Languages and Cultures is running beginners' language taster sessions, each covering a language from Europe, East Asia or the Middle East which you may not have had a chance to try before. To give you an authentic experience of small group learning, numbers are very limited so advance booking is required. View session times and book using the ticket link in your event emails.

Fees and funding

Staff at our Fees & Student Support, and Scholarships & Student Funding information desks in McEwan Hall can provide information about funding opportunities, tuition fees, scholarships, bursaries and financial assistance.

The Student Awards Agency Scotland (SAAS) are also available in McEwan Hall (26 September only) to speak to about the financial support they provide to students from Scotland.

Accommodation

Find out about our student accommodation options and 'accommodation guarantee' from the accommodation information desks as well as multiple talks throughout the day. A selection of accommodation is open to tour at Pollock Halls, though please note that, as it is term time, only a few example rooms will be available to view (page 4).

Tours and facilities

You can view some of the facilities you might use as a student, including our main libraries, sports facilities and a selection of accommodation. To check what's open and how to visit, see details on page 4. Some subject areas also offer tours, these are listed on pages 5 - 9.

Self-guided tours

Our self-guided audio campus tours allow you to explore our campuses at a pace and time that suits you. The app is free to download and is compatible with most iOS and Android devices - all you need is a smartphone or tablet. Scan the QR code or go to: www.ed.ac.uk/visit/tours/self-guided

Access the programme online

As well as on pages 4 - 9, you can also view listings of our Open Day activities online at: edin.ac/open-day-programme
